

Mohammed Tawhidul Hoque

Bio

I am a Computer Science and Engineering student at Daffodil International University (Batch 66) and currently working as a Social Media & Email Marketing Assistant at Fileion.Com. Passionate about problem-solving and programming, I have a strong interest in Python and love building innovative solutions. Residing in Mirpur, I am dedicated to continuous learning and contributing to impactful tech projects like Fileion Stack, a global platform by Fileion.Com.
